OSG is aimed at working with Mediterranean stakeholders to deter and counter terrorism and mitigate the risks of other threats to maritime security. The joint operations area (JOA) for OSG is defined as the international waters of the Mediterranean Sea and its approaches, including the Strait of Gibraltar (STROG).

2.- Merchant ships transiting the JOA are requested to participate in the Voluntary Reporting Scheme defined in Maritime Security Chart Q6110 and review the NATO Shipping Centre webpage (www.shipping.nato.int) for additional guidance on reporting suspicious incidents, including electronic interference.

3.- Please report any suspicious activity or information to NATO warships, or the NATO Shipping Centre at phone number 0044 1923 956574, or via email to [info \(at\) shipping \(dot\) nato \(dot\) int](mailto:info@shipping.nato.int).
