

ΣΥΝΟΠΤΙΚΟΣ ΠΙΝΑΚΑΣ ΑΓΓΕΛΙΩΝ

Με σκοπό την άμεση ενημέρωση των ναυτιλλόμενων, η Υδρογραφική Υπηρεσία δημιούργησε ένα κατάλογο, ο οποίος περιέχει το σύνολο των αγγελιών που έχουν επηρεάσει τους Ναυτικούς Χάρτες από την αγγελία της πρώτης κυκλοφορίας της εκδόσεως / Νέας εκδόσεως τους, μέχρι και το τελευταίο τεύχος μηνιαίων αγγελιών προς τους ναυτιλλόμενους.

Ο κατάλογος αποτελείται από τρεις (3) στήλες, στην πρώτη αναγράφεται ο αριθμός του Ναυτικού Χάρτη, στη δεύτερη ο μήνας και το έτος έκδοσης / Νέας έκδοσης, στη τρίτη με έντονη μπλε γραφή το έτος και η πρώτη αγγελία κυκλοφορίας του Ναυτικού Χάρτη, και ακολουθεί το σύνολο των αγγελιών που τον έχουν επηρεάσει, ανά έτος, μέχρι σήμερα.

Ο συνοπτικός πίνακας αγγελιών ενημερώνεται κάθε μήνα με την έκδοση του μηνιαίου τεύχους αγγελιών προς τους ναυτιλλόμενους.
